

DEPARTMENT OF ENERGY**Federal Energy Regulatory Commission****[Docket No. RP93-151-027]****Tennessee Gas Pipeline Company; Notice of Compliance Filing**

November 2, 1999.

Take notice that on October 29, 1999, Tennessee Gas Pipeline Company (Tennessee), tendered for filing as part of its FERC Gas Tariff, the following tariff sheets, with an effective date of November 1, 1999:

Fifth Revised Volume No. 1

Thirteenth Revised Sheet No. 26
Thirteenth Revised Sheet No. 26A
Twenty-First Revised Sheet No. 26B

Original Volume No. 2

Thirty-Ninth Revised Sheet No. 5

Tennessee states that this filing is in compliance with the Stipulation and Agreement approved by the Commission in its April 16, 1997 Order Approving Settlement in the above-referenced docket. *Tennessee Gas Pipeline Company*, 79 FERC ¶ 61,031 (1997). Tennessee requests waiver of the Commission's thirty-day notice requirement to allow an effective date of November 1, 1999 for the tariff sheets. Tennessee submits that good cause exists for the waiver because (1) the proposed tariff sheets represent a reduction in these customers' existing rates; (2) all of Tennessee's customers were informed of the rates since such rates were set forth in the Stipulation and Agreement; and (3) the Commission previously approved implementation of the rates, effective November 1, 1999, in its orders approving the Stipulation and Agreement.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. This filing may be viewed on the web at <http://www.ferc.fed.us/online/>

DEPARTMENT OF ENERGY**Federal Energy Regulatory Commission****Docket No. RP000-24-001]****Transcontinental Gas Pipe Line Corporation; Notice of Filing**

November 2, 1999.

Take notice that Transcontinental Gas Pipe Line Corporation (Transco) tendered for filing in the referenced docket on October 21, 1999 a revised tariff sheet to its FERC Gas Tariff, Third Revised Volume No. 1. The effective date for the revised tariff sheet is December 1, 1999.

Transco states that its Cash Out Modification filing of October 13, 1999 in Docket No. RP00-24 (October 13 Filing) inadvertently left out part of a phrase in the General Terms and Conditions Section 37.1(b) that describes how the imbalance percentage for a shipper is calculated. The imbalance percentage calculation process is currently in Transco's tariff and not among the cash out provisions that Transco proposes to modify in its October 13 filing. The purpose of the filing is to supplement the October 13 Filing to reflect the correct imbalance percentage calculations.

In accordance with the provisions of Section 154.2(d) of the Commission's Regulations, copies of this filing are available for public inspection, during regular business hours, in a convenient form and place at Transco's main office at 2800 Post Oak Boulevard in Houston, Texas. In addition, Transco is serving copies of the instant filing to its affected customers and interested State Commissions.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference

Room. This filing may be viewed on the web at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance).

BILLING CODE 6717-01-M

DEPARTMENT OF ENERGY**Federal Energy Regulatory Commission****[Docket No. RP00-41-000]****Trunkline Gas Company; Notice of Filing**

November 2, 1999.

Take notice that on October 29, 1999, Trunkline Gas Company (Trunkline) tendered for filing its Annual Interruptible Storage Revenue Credit Surcharge Adjustment in accordance with Section 24 of the General Terms and Conditions of its FERC Gas Tariff, First Revised Volume No. 1.

Trunkline states that the purpose of this filing is to comply with Section 24 of the General Terms and Conditions of its FERC Gas Tariff, First Revised Volume No. 1 which requires that at least 30 days prior to the effective date of adjustment, Trunkline shall make a filing with the Commission to reflect the adjustment, if any, required to Trunkline's Base Transportation Rates to reflect the result of the Interruptible Storage Revenue Credit Surcharge Adjustment. Trunkline further states that due to the minimal interruptible storage activity, no adjustment is required to Base Transportation Rates.

Trunkline states that copies of this filing are being served on all affected customers and applicable state regulatory agencies.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with sections 385.214 or 385.211 of the Commission's rules and regulations. All such motions or protests must be filed on or before November 9, 1999. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene.

Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. This filing may be viewed on the web at <http://www.ferc.fed.us/online/>
